

# Drive Thru

MacKenzie Porter

2 AM

Street lights are out and bars are closing  
You still come over, yeah, your hoping, I'm open  
'Cause you feel like something sweet (Mm, mm)  
Quick fix  
You always want me at your fingertips  
You think you got yourself a membership for these lips  
Any day of the week

I've said it before and I'll say it again

Boy, I ain't your drive-thru  
You can't roll up whenever you like  
There's no late night menu  
Whenever you got an appetite  
You always show up at my window  
Trying to order this but you know  
Boy, I ain't your drive-thru  
So keep driving thru  
Keep driving thru

Pick up line  
You think if you're a regular, you'll get a prize  
But all I'm serving up are goodbyes, supersize  
And that's a special for you

I've said it before and I'll say it again

Boy, I ain't your drive-thru  
You can't roll up whenever you like  
There's no late night menu  
Whenever you got an appetite  
You always show up at my window  
Trying to order this but you know  
Boy, I ain't your drive-thru  
So keep driving thru (I'm sorry we're closed)  
Keep driving thru (Come again, never)

I've said it before and I'll say it again

Boy, I ain't your drive-thru  
You can't roll up whenever you like  
There's no late night menu  
Whenever you got an appetite  
You always show up at my window  
Trying to order this but you know  
Boy, I ain't your drive-thru (Boy I ain't your drive-thru)  
So keep driving thru

Boy, I ain't your drive-thru  
You can't roll up whenever you like  
There's no late night menu  
Whenever you got an appetite
