

# Less Is More

MacKenzie Porter

I can see the ocean, but it's only waves of grain  
And if the sky's lit up like Houston, well, it's just the Milky Way  
And I can hear the music every time it rains  
Yeah, they say that we got nothing, but nothing here is everything, yeah

'Cause we got  
A few more ruts in the red clay mud than they do on the highway  
Couple little sips from a pickle jar glass that'll get you sideways  
Few more bonfires together  
Sunsets off a pinewood porch  
I'm thinking I'ma stay right here with you where less is more  
Out here where less is more

We ain't got no Eiffel Tower, but we got this water-tower view  
And it's like it's painted by the hand of God, a thousand shades of blue  
We got a crayon Mona Lisa hanging crooked on the fridge  
Yeah, I swear I see half of heaven from this Wrangler on this ridge

Oh 'cause we got  
A few more ruts in the red clay mud than they do on the highway  
Couple little sips from a pickle jar glass that'll get you sideways  
Few more bonfires together  
Sunsets off a pinewood porch  
I'm thinking I'ma stay right here with you where less is more

A couple good buds that'll get you unstuck with a winch and a chain link  
A little farmhouse in a little small town, sitting pretty good, ain't we  
Young love, we stay together  
19 till 94  
I'm thinking I'ma stay right here with you where less is more  
Out here where less is more

So y'all come on by whenever  
There's no lock on the back screen door  
I'm thinking, I'm thinking, I'm thinking I'll stay right here  
Where less is more

'Cause we got  
A few more ruts in the red clay mud than they do on the highway  
Couple little sips from a pickle jar glass that'll get you sideways  
Few more bonfires together  
Sunsets off a pinewood porch  
I'm thinking I'ma stay right here with you where less is more

A couple good buds that'll get you unstuck with a winch and a chain link  
A little farmhouse in a little small town, sitting pretty good, ain't we  
Young love, we stay together  
19 till 94  
I'm thinking I'ma stay right here with you where less is more  
Out here where less is more

Yeah  
I'm thinking, I'm thinking, I'm thinking I'll stay right here  
Where less is more
