Sit down, order up a round here we go

All I'm tryin to do is have a laid back friday  
Comin' on strong is really rubbin me the wrong way  
Talkin 'bout your truck how you rev' it up, I don't care at all  
I wouldn't have to shut you down so fast, If you had a little c  
lass

If you wanna take me out, it ain't about your pretty dolla  
Hey ya, holla  
If you wanna meet my momma I don't wanna see no drama  
You keep buyin' shots of whiskey, but it takes more than that t  
o kiss me  
You think you're gonna take me home but this ain't my first rod  
eo  
Yeah, this ain't my first rodeo

Ya I kept up, got hooked on the wrong bro's  
Let the bad ones get a little too close  
I had enough, ya I wised up now I see  
You think you can woo me off this bar seat, let me shoot ya str  
aight fire

If you wanna take me out, it ain't about your pretty dolla  
Hey ya, holla  
If you wanna meet my momma I don't wanna see no drama

cheap Talk pick up lines you're throwin' out there  
You should know by know this ain't goin your way

Hey ya, holla
