

# The One

MacKenzie Porter

Throwin' rice up in the air  
"Just married" on that old Bel Air  
The one that we drove everywhere  
These are happy tears, I swear  
Lost in a champagne recollection  
Standin' around at the reception  
Men are like taxis, I'll get the next one  
These are happy tears, I swear

Ooh-oooh, ooh-oooh-oooh  
Ooh, ooh-oooh-oooh  
Ooh, ooh, I swear

I was right before right timing  
The pearl before the diamond  
I was the road trip to the beach  
She's the honeymoon to the Cayman Islands  
I made a mess and she made sense  
She got your name and a picket fence  
I know it's a party, but it ain't fun  
Bein' the one before the one

Bet you're surprised I stayed this long  
Never thought you'd play that song  
No, I couldn't sing along, boy  
'Cause whiskey ain't that strong  
Swear that you looked at me when it came on  
I guess I was wrong

I was right before right timing  
The pearl before the diamond  
I was the road trip to the beach  
She's the honeymoon to the Cayman Islands  
I made a mess and she made sense  
She got your name and a picket fence  
I know it's a party, but it ain't fun  
Bein' the one before the one

I sat in the back and I faked a smile  
Ooh-oooh  
We were both cryin' as she floated down the aisle

I was right before right timing  
Right before the diamond  
I was the road trip to the beach  
She's the honeymoon to the Cayman Islands  
Oh, I made a mess and she made sense  
She got your name and a picket fence  
I know it's a party, but it ain't fun  
Bein' the one before the one

Ooh, ooh-oooh-oooh  
Ooh-oooh, ooh-oooh-oooh  
Ooh-oooh, ooh-oooh-oooh

Throwin' rice up the air  
"Just married" on that old Bel Air

These are happy tears, I swear
