It's all too boring, sittin' watchin' the time.
The girls are waitin' on the 911 Party li-ine.
I'm gonna blow if that dumb bell doesn't ring.
Wanna crank up the music and we'll let the weekend begin.

No boys allowed, this is our one secret rule.
Ain't it enough? We gotta deal with them all day at school.
'Cause we'll be talkin' things they just shouldn't know.
You know how boys are with their inflated, fragile egos.

Oh, oh, oh
Look at each other and say...
Oh, oh, oh
What we need is a girl party!

Na, na, na, na, na, na.
It's a girl party.
Girl party.
We're gonna have some fun,
'Cause we're ready to

Girl party

Got a friend who is a crankin' DJ.
She'll lay a beat down and it'll blow everybody away.
And all my besties up and down the whole block.
Will come runnin' right over, ready and willin' to rock.

They've got the popcorn and the chick flick movie.
We'll do our hair and nails and dance around in our jammies.
They're super cute but you know, boys and their brains.
They'll never understand what sisterhood sisterhood means

Oh, oh, oh

Don't show up here unless you're ready to move.
You're welcome here as long as you're ready to groove.
(Aw, let's dance!)
