

# Lost

Mackenzie Ziegler

Lost, I'm so lost  
In the middle of the world  
I'm just tryin' to be heard  
I'm here, I've been here  
I feel so invisible  
I just need someone to hold

Ooh, will you be there?  
Will you be there, for me?  
Ooh, I can not bare  
That you're not there, with me

Will you be there, will you always care?  
It's so unfair  
You make me laugh, you make me cry  
You fill my heart, yeah that's no lie  
You make me shy  
And that's the reason why

Lost, I'm so lost  
All the thought up in my mind  
Got me thinkin' I should fight  
You, where are you?  
Do you feel invisible  
Do you need someone to hold?

Ooh, I will be there  
I will be there, for you  
Ooh, you can not bare  
That I'm not there, with you

Will you be there, will you always care?  
It's so unfair  
You make me laugh, you make me cry  
You fill my heart, yeah that's no lie  
You make me shy  
And that's the reason why

You're here, now you're here  
Us in the middle of the world  
Not a fate to be heard  
No fear, no shedded tears  
No more looking for a friend  
That will be there til the end
