

# Phases

Mackenzie Ziegler

Look at me talk to my emotions  
Wanna say I don't, but I care  
Movin' on hurts, but I kinda love it  
Am I scared?  
Yeah, I'm scared

Take a break, take a loss, take a fall  
But I won't take it all personal

Cause I-I-I-I, I'm just goin' through my phases  
I-I-I-I, I'm just learnin' how to take it  
Tuesday to Wednesday, it feels like I'm just waitin'  
I-I-I-I, I'm just goin' through my phases

Push and pull, but I'm in the middle  
I won't do what I can't undo  
Yeah, my heart taken just a little  
What do I lose if I lose

Take a break, take a loss, take a fall  
But I won't take it all personal

Cause I-I-I-I, I'm just goin' through my phases  
I-I-I-I, I'm just learnin' how to take it  
Tuesday to Wednesday, it feels like I'm just waitin'  
I-I-I-I, I'm just goin' through my phases  
I'm just goin' through my phases (oh yeah, yeah, yeah)

Goin', I'm goin', I'm goin', I'm goin', I'm goin' through phase  
s  
Goin', I'm goin', I'm goin', I'm goin', I'm goin' through them  
Goin', I'm goin', I'm goin', I'm goin', I'm goin' through phase  
s  
Yeah, I'm goin', I'm goin', I'm goin', I'm goin', I'm goin' thr  
ough them

I-I-I-I, I'm just goin' through my phases  
I-I-I-I, I'm just learnin' how to take it  
Tuesday to Wednesday, it feels like I'm just waitin'  
I-I-I-I, I'm just goin' through my phases
