

Play Nice

Mackenzie Ziegler

If you want to play with me
Play nice
If you want to stay with me
Stay nice
Well if you're gonna stay with me
Stay nice
'Cause if you think you're gonna run a game on me
Think twice

Got no room for someone who's gonna step on me
To get to where they want to go
Not into being cheated disrespectfully
So I'm letting you know

If you want to play with me
Play nice
If you want to stay with me
Stay nice
But if you're gonna stay with me
Stay nice
'Cause if you think you're gonna run a game on me
Think twice

If you're gonna be someone who cuts me down
So you feel tall
Think I better let you know, oh know right now
That won't work for me-work for me at all

If you want to play with me
Play nice
If you want to stay with me
Stay nice
But if you're gonna stay with me
Stay nice
'Cause if you think you're gonna run a game on me
Think twice

Hey
1-2-3-4, 1-2-3 pli  
1-2-3-4, 1-2 relev  
1-2-3-4, 1-2-3 pli  
1-2-3-4, chaine, chaine, chaine

I know I may seem cute and sweet
And so na  ve and so petite
You better get it through your head
Don't run a game on me, don't get it twisted

I know I may seem cute and sweet
And so na  ve and so petite
You better get it through your head
Don't run your game on me, you'd better listen

Go and keep your toys unto yourself
Don't waste my time
But if you can share your world with someone else
You'll be a friend of mine

You'll be a friend of mine

If you want to play with me

Play nice

If you want to stay with me

Stay nice

Well if you're gonna stay with me

Stay nice

'Cause if you think you're gonna run a game on me

Think twice

Think twice
