

Teamwork

Mackenzie Ziegler

Small girl, big world, they might say to you
But I won't live by someone else's rules
When they knock me down my crew will pick me up
Yeah, we keep each other strong, keep each other strong
With love, love

All my girls unite, rockin' side by side
Watch my teamwork every day and night
Yeah we're shinin', we're shinin', we're shinin' with our teamwork
All my girls unite, now we do it right
With my teamwork every day and night
Yeah we're shinin', we're shinin', yeah

Watch my teamwork
Watch my teamwork
Watch my teamwork

Don't be scared to say what's on your mind
Show them all your colors, show your pride
And no matter what they say, know you're a star
Go ahead and make it bright, go and be the light
In the dark, dark

All my girls unite, rockin' side by side
Watch my teamwork every day and night
Yeah we're shinin', we're shinin', we're shinin' with our teamwork
All my girls unite, now we do it right
With my teamwork every day and night
Yeah we're shinin', we're shinin', yeah

Watch my teamwork
Watch my teamwork
Watch my teamwork

All my girls unite, rockin' side by side
Watch my teamwork every day and night
Yeah we're shinin', we're shinin', yeah
Watch my teamwork

Oh-oh, gonna start a revolution
Show 'em all just how we do it
Oh-oh, gonna start a revolution
Show 'em all just how my teamwork
All my girls unite, ooh
Every day and night

Watch my teamwork
Watch my teamwork
Watch my teamwork

All my girls unite, rockin' side by side
Watch my teamwork every day and night
Yeah we're shinin', we're shinin', yeah
Watch my teamwork
