This is the second night (Straight)
That I've stayed inside
I should be getting ready but I'm watching Always Sunny
Declined your invite
But it's the first time that I'm asking myself

Subtract or add up?
To fall back or catch up?
Subtract or add up?
To fall back or catch up?

This is the seventh night (Straight)
That I've stayed inside
I should be getting ready but I'm watching Mr. Meaty
Ignored your invite
But it's the last time that I'm asking myself

Subtract or add up?
To fall back or catch up?
Subtract or add up?
To fall back or catch up?

Shedding my layers 'cause I finally need to leave
This three month curse plagues everything that I used to be
Shedding my layers 'cause I finally need to leave
This three month curse plagues everything
Shedding my layers 'cause I finally need to leave
This three month curse plagues everything that I used to be
Shedding my layers 'cause I finally need to leave
This three month curse plagues everything that I used to be
