

Dinner For Two

Macseal

Is there a reason I feel weak
In the knees?
It's loud and clear there's somewhere you should be
And it's not here

And I'll tell you where I'm calling from
And I'd sit down at a table for one
There's nothing that I wouldn't do
To be making dinner for two
Well there's nothing I'd rather do

One more stop and we're in Bedford
Haunted rooms and the candy store
I'll turn over reach out for you, but you're not there
When I'm asleep on the floor

Wake up early just to drive you
It's okay cause sleeping in's a waste
And I love the face you make when you're with me
And hate the one when I leave

And I'll tell you where I'm calling from
And I'd sit down at a table for one
We told each other it's all the same
But without you down the block's a mile away
A mile away
