

Going Away

Macseal

Well, it amazes me to find out what you do and do not know
But it surprises me that you're not the same person you claim t
hat you are when we're left alone
When we're left alone

Well, it amuses me, the fact that we sleep on separate beds
We know we'd rather be risking our lives doing anything else in
stead

You know that it's hard to be grateful when you're not feeling
great in the first place
You know that I'm nothing special in that department
You know that it's hard to be grateful when you're not feeling
great in the first place
You know that I'm nothing special in that department

Well, it amuses me, the fact that we sleep on separate beds
We know we'd rather be risking our lives doing everything else
instead

You know that it's hard to be grateful when you're not feeling
great in the first place
You know that I'm nothing special in that department
You know that it's hard to be grateful when you're not feeling
great in the first place
You know that I'm nothing special in that department
