

I asked you how was the party?  
Are you still here alone?  
I'll have some more luck in two months  
Spat out and off towards home...

... plate of Fenway Park  
In heavy quotation marks  
Ran off when I saw you two  
Ran straight out of that pitch black room

Where we were singing songs

Unless you schemed it perfectly  
And you knew all along

Back to Fenway Park  
In heavy quotation marks  
Ran off when I saw you too  
Ran straight out of that pitch black-

Back to Fenway Park  
In heavy quotation marks  
Ran off when I saw you too  
Ran straight out of that pitch black room
