

# Mercy

Macy Gray

Something happened on the way to my heartbeat  
Ever since you baby it's been skipping round, I been in the clouds  
Can't find the words to say what I'm feeling, or what I'm seeing  
Hands up now I surrender to the obvious - baby I'm in love

And it's so deep  
Sometimes I can't take it  
It's weighing on me  
I catch myself saying  
Mercy mercy mercy mercy  
Mercy mercy mercy mercy

I've been losing sleep  
Days that I don't eat  
Waiting by the phone - I cry when I'm alone  
Only you can make me do what I don't usually do  
Cuz I'm in love with you

And it's so deep  
Sometimes I can't take it  
It's weighing on me I catch myself saying  
Mercy mercy mercy mercy  
Mercy mercy mercy mercy  
Mercy mercy mercy mercy  
Mercy mercy mercy mercy

So many times I been to heaven  
See I die everytime you get naked  
When it's over my legs be shakin  
It's so good, I can't take it  
Have mercy baby

Mercy mercy mercy mercy  
Mercy mercy mercy mercy

Mercy mercy mercy mercy  
Mercy mercy mercy mercy

Mercy mercy mercy mercy  
Mercy mercy mercy mercy

Cuz I love you babe  
Mercy mercy mercy mercy  
You stay on my mind - have mercy  
Mercy mercy mercy mercy  
Good lawd - have my mercy baby  
Mercy mercy mercy mercy  
You got my heart  
Mercy mercy mercy mercy  
My one desire  
Have mercy - have mercy  
Mercy mercy mercy mercy  
Cuz I need you baby  
Mercy mercy mercy mercy
