

No One

Macy Gray

I just want you close
Where you can stay forever
You can be sure
That it will only get better

You and me together
Through the days and nights
I don't worry 'cause
Everything's gonna be alright
People keep talking
They can say what they like
But all I know is everything's gonna be alright

No one, no one, no one
Can get in the way of what I'm feelin'
No one, no one, no one
Can get in the way of what I feel for you

When the rain is falling down
And my heart is hurting
You will always be around
This I know for certain

You and me together
Through the days and nights
I don't worry 'cause
Everything's gonna be alright
People keep talking
They can say what they like
But all I know is everything's gonna be alright

No one, no one, no one
Can get in the way of what I'm feelin'
No one, no one, no one
Can get in the way of what I feel for you, you

I know people will search the world
To find something like what we have
I know people will try, try to divide, something so real
Know 'til the end of time, I'm telling you there ain't

No one, no one, no one
Can get in the way of what I'm feelin'
No one, no one
Can get in the way of what I feel for you
