

# PTSD

**Macy Gray**

I want you to get up now  
I want all of you to get up out of your chairs  
I want you to get up right now and go to the window  
Open it. And stick your head out and yell:  
I'm as tired as hell and I'm not going to take this anymore!

Shaking. Shaking.  
You give me PTSD - find another world for me  
Oh my heart is breaking. Breaking.  
You give me PTSD - is there another world for me?  
Shaking. Shaking.  
You give me PTSD - find another world for me  
Is there another world for me?

You're safer here than any place else  
Now just lock yourself in and be quiet  
GET OUT!  
All of you get of here and leave me alone!  
I'm ready for justice!
