Superlove

Superlove is something that they say is very rare In the dark, In your world it's everywhere And I feel like an x x rated movie star It's the way you love me down It's the way you love me down Everytime we kiss you bring out the woman in me Everytime you holler out my name you set me free I am a sex-o-matic venus freak when I'm with you And I will stop it only when you tell me to I am the automatic easy freak all over you And I will stop it only when you tell me to.

Gimme some, some, some.

We are the genius of love

Feel like an x x rated movie star

It's the way you love me down

It's the way you love me down

Everytime we kiss you bring out the woman in me

Everytime you holler out my name you set me free

Everytime we kiss you bring out the woman in me Everytime you holler out my name you set me free I am a sex-o-matic venus freak when I'm with you And I will stop it only when you tell me to I am the automatic easy freak all over you And I will stop it only when you tell me to.

When we seek and hide
When my hands are tied
69 positions and
whip cream all over my skin
lick you from bottom to root
love to get down with you
I am a sex-o-matic venus freak when I'm with you
And I will stop it only when you tell me to
I am the automatic easy freak all over you
And I will stop it only when you tell me to.
