

Tell Me

Macy Gray

I have a secret, if I told you, would you keep it?
Would you post it, would you tweet it, would you run?
I wrote you a letter
But face to face is better
Now here it is, I love you till I just can't see
And I can't wait till you tell me

Roses are red, violets are blue
I love everything you hate about you
I can tell by your reaction
Mutual feelings are a-lacking
Don't you break me with your honesty
Whatever it is don't tell me

Sometimes I'm up, sometimes I'm down
No matter what, you stick around
Am I reading too much, into your touch
Reading too much into that you stay, hey

Sometimes I'm up, sometimes I'm down
No matter what, you stick around
Am I reading too much, into your touch
Reading too much into that you stay, hey

I have a secret, this time I'll keep it
I know you don't feel the same, hm
But everything, it changes
And dreams do come true, don't they?
So maybe one day, you'll tell me
