

## Backroads

Mad Caddies

I took the back roads to your heart  
Drove them from the end back to the start  
Through all the mud, through all the rain  
I took the back roads just the same

Oh, oh, oh  
Tanya, don't you know  
Oh, oh, oh  
I'll never let you go?  
Oh, oh, oh  
Tanya, don't you know  
That I'll never let you go?  
That I'll never let you go?

We walk in darkness and the light  
But baby, you're still shining bright  
So honey, take my hand, and always understand  
That I'm proud to be your man

Oh, oh, oh  
Tanya, don't you know  
Oh, oh, oh  
I'll never let you go?  
Oh, oh, oh  
Tanya, don't you know  
That I'll never let you go?  
That I'll never let you go?

I took the back roads to your heart  
Drove them from the end back to the start  
Through all the mud, through all the rain  
I took the back roads just the same  
I took the back roads just the same
