Cliché

It's out of control You're out of this world I'm diyng to know ya Can you feel it Stop that plane Baby, don't fly away I'm singing outside of your window Playing that damn guitar Drinking wine by the fire She threw a snowball at me I thought it was my heart I book a dinner for two in Paris Get on my knees And say you would never betray You're my filét You diserve it all my love and There's a reason it's called cliché It's out of control You're out of this world I'm diyng to know ya Can you feel it It's out of control You're out of this world I'm diyng to know ya Can you feel it Cli - cli - cli - cli - cliché Cli - cli - cli - cli - cliché Cliché Can you feel it Cli - cli - cli - cli - cliché Cli - cli - cli - cli - cliché Cliché Can you feel it I want tonight be a cliché on a rooftop New York by night bright 'cause the moon is up How are you love Having fun yet Like we are horseback, riding into the sunset And we do it slo - mo Ain't need to talk, 'cause we both know How a cliché works and Also I love the way I see you Soul glow When the cliché works Slo - mo dancing Under the rainfall So romantic I'm a walking cliché

It's out of control

```
You're out of this world
I'm diyng to know ya
Can you feel it
It's out of control
You're out of this world
I'm diyng to know ya
Can you feel it
Cli - cli - cli - cli - cliché
Cli - cli - cli - cli - cliché
Cliché
Can you feel it
Cli - cli - cli - cli - cliché
Cli - cli - cli - cli - cliché
Cliché
Can you feel it
2×
You were sent from above
It's unimaginable
May I have this dance
You hao me at Hello
Talk to me, walk with me
I'm gone with the wind
Ride for me, die for me
It's out of control
You're out of this world
I'm diyng to know ya
Can you feel it
It's out of control
You're out of this world
I'm diyng to know ya
Can you feel it
(Cli - cli - cli)
It's out of control
You're out of this world
I'm diyng to know ya
(Can you feel it)
(Cli - cli - cli)
It's out of control
(Cli - cli - cli)
You're out of this world
I'm diyng to know ya
(Can you feel it)
Cli - cli - cli - cli - cliché
Cli - cli - cli - cli - cliché
Cliché
Can you feel it
Cli - cli - cli - cli - cliché
Cli - cli - cli - cli - cliché
Cliché
Can you feel it
Let's have a walk in the park
Let's make love on the beach
Under the moonlight
```

I'm a wakling cliché...
