Let It Be Known

Come on let's turn it up We're gonna sing it out For all the world to hear Oh oh oh There's life for ev'ryone A new day has begun Something to shout about

Let it be known that our God saves Our God reigns We lift You up up Let it be known that Love has come Love has won We lift You up up up Woah

Nothing can stop us now No one can keep us down We found our voice again Oh oh oh No need for fear and shame There's power in His name Come on let freedom reign

We lift Your name up Higher and higher We lift Your name up We shout Your name out Louder and louder We shout it out now

We lift Your name up Higher and higher We lift Your name up We shout Your name out Louder and louder We shout it out now Madcon
