

Praying

Maddi Jane

You almost had me fooled
Told me that I was nothing without you
After everything you've done
I can thank you for how strong I have become

'Cause you brought the flames and you put me through hell
I had to learn how to fight for myself
And we both know all the truth I could tell
I'll just say this is I wish you farewell

I hope you're somewhere praying, praying
I hope your soul is changing, changing
I hope you find your peace
Falling on your knees, praying

I'm proud of who I am. No more, no more
No more monsters, I can breathe again
I can make it on my own
Thanks to you I found a strength I've never known

'Cause you brought the flames and you put me through hell
I had to learn how to fight for myself
And we both know all the truth I could tell
I'll just say this is I wish you farewell

I hope you're somewhere praying, praying
I hope your soul is changing, changing
I hope you find your peace
Falling on your knees, praying

Sometimes I pray for you at night
Hoping at last you'll see the lights

'Cause hearts they can change
And souls rearrange
Who am I to say, what is to far

I'm letting go of this anger inside me
I'm where I never thought that I would be
And I hope you're somewhere
I hope you're somewhere
I hope you're somewhere
I hope you're somewhere out there praying
Somewhere praying
