

# Snowflakes

**Maddi Jane**

Did you know  
No two raindrops are the same  
Each one  
Has a place and has a name

When it gets cold  
They receive a new design  
Then fall down just in time for Christmas night

Sha la la la  
Sha la la la  
La la la  
Sha la la la  
Sha la la la  
La la la

When the snowflakes come down keep em comin'  
Landin' on my nose keep em comin'  
They're not like anybody else  
They're not like anybody else  
Bring on the snow  
Bring it all  
I'm my own individual  
I'm not like anybody else  
I'm not like anybody else

Sha la la la  
Sha la la la  
La la la  
Sha la la la  
Sha la la la  
La la la

When they fall down  
Do you think that they compare themselves to who falls faster? No way!  
At your own pace  
Make the moves you wanna make and take your time

Sha la la la  
Sha la la la  
La la la  
Sha la la la  
Sha la la la  
La...

When the snowflakes come down keep em comin'  
Landin' on my nose keep em comin'  
They're not like anybody else  
They're not like anybody else  
Bring on the snow  
Bring it all  
I'm my own individual  
I'm not like anybody else  
I'm not like anybody else

Sha la la la  
Sha la la la

La la la  
Sha la la la  
Sha la la la  
La...

Cover me in white  
This December night isn't the same without you  
Catch you on my tongue  
Make me feel so young  
Makin' me feel brand new  
You're made differently and perfectly yes certainly it's true  
Like snow flakes you can go places just by being you

Sha la la la  
Sha la la la  
La la la  
Sha la la la  
Sha la la la

When the snowflakes come down keep em comin'  
Landin' on my nose keep em comin'  
They're not like anybody else  
I'm not like anybody else

Bring on the snow bring it all I'm my own individual  
I'm not like anybody else  
I'm not like anybody else

Sha la la la  
Sha la la la
