

Too Close

Maddi Jane

You know I'm not one to break promises
I don't wanna hurt you but I need to breathe
At the end of it all, you're still my best friend
But there's something inside that I need to release
Which way is right, which way is wrong
How do I say that I need to move on
You know we're heading separate ways

And it feels like I am just too close to love you
There's nothing I can really say
I can't lie no more, I can't hide no more
Got to be true to myself
And it feels like I am just too close to love you
So I'll be on my way

You're giving me more that I can return
Yet there's oh so much that you deserve
Nothing to say, nothing to do
Nothing to give, I must leave without you
You know we're heading separate ways

And it feels like I am just too close to love you
There's nothing I can really say
I can't lie no more, I can't hide no more
Got to be true to myself
And it feels like I am just too close to love you
So I'll be on my way

I'll be on my way
I'll be on my way
Hmm.. Oh oh oh
I'll be on my way
I'll be on my way

You know I'm not one to break promises
I don't wanna hurt you

And it feels like I am just too close to love you
There's nothing I can really say
I can't lie no more, I can't hide no more
Got to be true to myself
And it feels like I am just too close to love you
So I'll be on my way
