

You're Just Sleeping

Maddi Jane

You tuck my hair inside my hoodie
You say good things are coming to me

Sorry, I got mascara on your sweater
At least we're in this together
You know to make me feel better

I lost control in the moment
Didn't know I was that broken
Looked up and you were still holding me

Through the seasons you're just sleeping (sleeping)
When I'm angry you're not speaking (speaking)
When my world has lost it's meaning
Through the seasons you're just sleeping
You're just...

Ooh ahh ooh ahh ooh ahh ooh ahh
Ooh ahh ooh ahh ooh ahh ooh ahh
Ooh ahh ooh ahh ooh ahh ooh ahh
Ahh...
Ooh ahh ooh ahh ooh ahh ooh ahh
Ooh ahh ooh ahh ooh ahh ooh ahh
Ooh ahh ooh ahh ooh ahh ooh ahh
Ahh...

Didn't realize my tone got colder
I must have switched from a girl to a soldier

Sorry, I got mascara on you're sweater
At least we're in this together
You know how to make me feel better

I lost control in the moment
Didn't know I was that broken
Looked up and you were still holding me

Through the seasons you're just sleeping (sleeping)
When I'm angry you're not speaking (speaking)
When my world has lost it's meaning
Through the seasons you're just sleeping
You're just...

Ooh ahh ooh ahh ooh ahh ooh ahh
Ooh ahh ooh ahh ooh ahh ooh ahh
Ooh ahh ooh ahh ooh ahh ooh ahh
Ahh...
Ooh ahh ooh ahh ooh ahh ooh ahh
Ooh ahh ooh ahh ooh ahh ooh ahh
Ooh ahh ooh ahh ooh ahh ooh ahh
Ahh...

You're just...

Ooh ahh ooh ahh ooh ahh ooh ahh
Ooh ahh ooh ahh ooh ahh ooh ahh
Ooh ahh ooh ahh ooh ahh ooh ahh

Ahh...
