

# Ain't There Yet

Maddie & Tae

It ain't like I don't know what to do  
'Cause I've been here a time or two  
It's what you do when you break up  
Cut your hair, fix your makeup  
Put it all in the past with his things in the trash  
Done with that

But I ain't there yet  
Too soon to forget  
Got a couple tears left  
To cry and replay your goodbye in my mind  
I bet  
When you're out of my head  
I'll have no regrets  
I'll be as good as gone and moving on  
But I ain't there yet

I'll take my time  
And feel every sting  
I'm gonna get it all out  
So I can start over clean  
So there'll be no reminiscing  
No late-night call, I miss ya  
It'll be in the past with your things in the trash  
Ain't lookin' back

But I ain't there yet  
Too soon to forget  
Got a couple tears left  
To cry and replay your goodbye in my mind  
I bet  
When you're out of my head  
I'll have no regrets  
I'll be as good as gone and moving on  
But I ain't there yet

Look, I'm just trying be honest  
I'm letting it hurt  
'Cause I know one day, someday, I'll be okay

But I ain't there yet  
Too soon to forget  
Got a couple tears left  
To cry and replay your goodbye in my mind  
I bet  
When you're out of my head  
I'll have no regrets  
I'll be as good as gone and moving on  
But I ain't there yet

Too soon to forget  
Got a couple tears left  
To cry and replay your goodbye in my mind  
I bet  
When you're out of my head  
I'll have no regrets  
I'll be as good as gone and moving on

But I ain't there yet

No, I ain't there yet

Oh, I ain't there yet

Oh no, I ain't there yet

No, no, no

No, I ain't there yet

I ain't there yet

But I ain't there yet
