Get a passport baby, if you that smooth  
Being balling like I'm balling, baby that's cool

Nah, never heard of you

When I spit this dope, let me serve you (Skrt, skrt)  
She's so bad, I don't deserve you

Maybe we should stay for a extra day  
I work hard, put my card, don't want no other way  
Brazil, no Madrid, baby it's a flight away  
Ever since I made it, they gon' shake it everyday  
Yeah boy, yeah boy, like I'm Flavor Flav  
Can you do it with no hands?, yea by the way

Wanna see you do a kickflip, I bet he don't skate

I bet you won't, bet your last dollar on it  
Guess who didn't worry bout' fame and kept it hunndid  
Guess who got the model joint and she ain't gotta stomach  
I need to hear you say it loud, baby if you love me

All summer, all summer, I've been thinking, I've been thinking  
bout you (Are you popping?)  
All summer, all summer, I've been thinking, I've been thinking
