

# Catch Me Outside

MadeinTYO

Catch me outside, catch me outside, catch me outside, catch me outside

Catch me outside, catch me outside, catch me outside, ooh

Guess who just came out to play, guess who just came out to play

These bitches be all in your face, but really they just in the way

These niggas gon' come out they place, stuck on the stairs I'm just stuck in my ways, hahaha

(Uno I killed it)

Riding around with the K, I'm riding around with the K

Told that lil' boy he better go back today

Truck will get flipped like Cirque Du Soleil

Go against me and I promise your hoe will come down like walkin g on top of the crate

Keeping it player, laid eyes on your bitch, make her drive the boat then I make you walk the plank

Me and young Tyo shopping in Japan, we gon' bring the whole store with us back on the plane

I smoking on what you call rapper weed, Spiderman I'm in the wh ip, Mary Jane

They be stealing my drip like I'm not about to put this shit on and walk straight to the bank

I got a toolie like Ratchet and Clank

It's best if this broke nigga stay in his lane

Guess who just came out to play, guess who just came out to play

These bitches be all in your face, but really they just in the way

These niggas gon' come out they place, stuck on the stairs I'm just stuck in my ways, hahaha

(Uno I killed it)

Catch me outside, catch me outside, catch me outside, catch me outside

Catch me outside, catch me outside, catch me outside

Bitch outside, bitch outside, bitch outside, bitch outside

Peanut butter seats, yeah, hopped in my ride

Prada with the straps, yeah, you such a vibe

She don't even smoke but she rolling up my za

If you talking about the meal she a supersize

I could break her neck if I'm walking in the room

Catch me in the strip club, shawty you gon' need a broom

Guess who just came out to play, guess who just came out to play

y

These bitches be all in your face, but really they just in the way

These niggas gon' come out they place, stuck on the stairs I'm just stuck in my ways, hahaha

(Uno I killed it)

Catch me outside, catch me outside, catch me outside, catch me outside

Catch me outside, catch me outside, catch me outside
