MadeinTYO

Oh, oh

11-19, she tastes like ice cream  
My son wakin' up, he havin' light dreams  
Body hella warm  
11-19, she tastes like ice cream  
My son wakin' up, he havin' light dreams  
Body hella warm, she rubbin' on my arm  
Takin' off her clothes, she takin' off my robe

I'm going down, You coming now  
Chanel on my chain, I'm glowing up

They say you are what you eat, girl, I'm eating you  
I'm getting off, that's just me, girl, I'm fucking you  
Biting on your neck, girl, I'm touching you  
House on the hills, girl, she love the view

Ooh, sing me somethin' tonight  
Ooh, sing me somethin' tonight  
Ooh, sing me somethin' tonight  
She rollin' up, I'm high

They say you are what you eat, girl, I'm eating you  
They say you are what you eat, girl, I'm eating you

I wanna touch you ona flight, boo  
I wanna fuck you when we fight, boo  
I wanna fuck you on sight, boo  
I love everything about you  
Tryna take you out the house, boo  
Then get you on the couch, boo  
You inspire me a lot, boo  
I'm 'bout to finish up the album

They say you are what you eat, girl, I'm eating you  
I'm getting off, that's just me, girl, I'm fucking you  
Biting on your neck, girl, I'm touching you  
House on the hills, girl, she love the view

Sing me somethin' tonight  
Sing me somethin' tonight  
Sing me somethin' tonight  
She rollin' up, I'm high

They say you are what you eat, girl, I'm eating you  
They say you are what you eat, girl, I'm eating you  
I'm eating you  
I'm eating you  
I'm eating you
