

Uh

Medium, two size, phantom Levi's  
Air Force 1's yelling out, "From [?]"  
Got my hat hangin' to the side, feel like T.I  
She want D-I-, whoa  
Soldier in the game, G.I Joe  
If you smokin' with me, you gone need like four  
Please text my phone before you knock on the door  
Okay fasho, baby don't let it show

I love the pirate club

They needed this, I wanted this, maybe some of this  
I couldn't just leave without giving this  
Do you your prime share with no witness?  
Boy you can't trust shit 'cause half the time these niggas don'  
t have the budget  
Yes men screamin' that they love it  
And if you post a snippet, then you know they gon' love it  
I used to want a 'Rari not I really want a Cutlass  
Now I'm smokin' big blunts, feel me, out in public  
You had a chance but you changed plans  
I wanna be as smooove as a slow dance  
Do your [?] when I'm old, man  
I wanna crib in Japan next to the water, made it out of Dawah  
Quarantine, lookin' mean, I ain't seen a barber  
You thought it get easy? Boy, nah, it get harder  
Got a son, yeah, but I'm workin' for a daughter  
I'm still grindin' for this shit, used to ride the Marder

When you hate, boy, yeah, we go harder  
When you hate, boy, yeah, we go harder  
When you hate, boy, yeah, we go harder  
What it is-is?
