Actually you was cool, for a minute  
I thought that we was cool for a minute, we went to school for  
a minute  
Yeah she [?] when I hit it, I admit it  
I'm that good feeling, when yo head up in the ceiling  
Rub yo shit when I hit it  
Ye these bars 'ould make you lift up  
I'm in your stomach like a sit-up  
Ice cream diamonds yeah, it just got my wrist up  
5k Raf on your pants, with yo big butt

I had a [?] she tryna eat me like some feast  
Wanna split me like a swisher but we only smoking backwoods I'm  
Balling like [?], coloured hair 'cause a leader she  
Mad 'cause I ain't wanna kiss her now, she pop a xan and act bu  
t she listen  
This money first you, trippin' it so different on Twitter pitch  
ing the verse if you  
Got a bag then come get it just thanks for nothing you suck 'ca  
use you  
Swallowed and should of spit it and [?] chrome kitted my  
Momma said go and get it 'cause niggas be all frilly like reall  
y like  
I don't get it, how come these niggas be bluffing your  
Bitch a [?]

TPC shit  
I love the private club  
If I let you borrow the flow you gotta bring it back though  
I'm tryna ball like Kobe, yeah with the afro  
I get that chicken then jog, run through the back though  
Japan smoking eight, yeah uh purple grapes  
I know you lost this side, she tryna troll the high  
Posting weak shit, flexing, but she just need a ride  
And we just hit, Neiman Marcus I just got the slides  
Margiela ribs, yeah you busting out your thighs  
Flat screen, yeah I need that shit real wide  
Next house, I need the pool with the fucking slide  
And I ain't letting shit slide  
TPC 2018

I got a cougar with a Ruger, she don't even listen to my music  
But it's some' about that ratchet, take her in the Gucci snatch  
it  
Her eyes bigger than her closet and, my pride bigger than that  
I'm sorry 'cause  
Niggas be coppin' gucci, and you thinking I'm next to do it  
Girl you foolish what you talking, I got it [?]

You catch it like Randy Moss while I'm shroomy tripping get los  
ty huh
