

Level Up

MadeinTYO

Ooh, phew, phew, phew, phew, phew
Phew, phew, phew, phew, phew
Yeah

Watch me level up, watch me level up (Ooh)
Make it rain, ooh, yeah, count it up (Wet)
Got it jumping, yeah, like a double dutch
If it's up, it's stuck, if it's up, it's stuck (Ooh)
Watch me level up, watch me level up (Skrt)
Make it rain, make it rain, count it up (Wet)
Got it jumping, yeah, like a double dutch (Yeah)
If it's up, it's stuck, if it's up, it's stuck (Skrt)

Kapital vest, baby, you go hard too
Thick ass shawty, yeah, you a whole mood
Top of Miami, yeah, fuck a cop car
Leather pants on, baby, you a rockstar (Ooh)

Watch me level up, watch me level up (Skrrt)
Make it rain, ooh, yeah, just count it up (Ooh)
Got it jumping, yeah, like a double dutch (Yeah)
If it's up, it's stuck, if it's up, it's stuck (Skrrt)
Watch me level up, watch me level up (Ooh)
Make it rain, ooh, yeah, just count it up (Wet)
Got it jumping, yeah, like a double dutch
If it's up, it's stuck, if it's up, it's stuck (Ooh)
Watch me level up, watch me level up (Skrt)
Make it rain, make it rain, count it up (Wet)
Got it jumping, yeah, like a double dutch (Yeah)
If it's up, it's stuck, if it's up, it's stuck (Skrt)

CDG top, ooh, in the see-through
I'm a good reason why they bitches come through
Boolin' with a bitch, and she never told you
Heard she the one, but she 'bout to bring two
Yokohama breakfast, Paris next June
"When you finna drop? ", ooh, tell them real soon
Movin' real reckless so they stay in tune
I was on the metro way before my shit boom
Went to a mansion from a two-bedroom
Got the money for the night [?]
Hoppin' in a Rarri with the automatic zoom
House full of art, million dollars in the room

Watch me level up, watch me level up (Ooh)
Make it rain, ooh, yeah, count it up (Wet)
Got it jumping, yeah, like a double dutch
If it's up, it's stuck, if it's up, it's stuck (Ooh)
Watch me level up, watch me level up (Skrt)
Make it rain, make it rain, count it up (Wet)
Got it jumping, yeah, like a double dutch (Yeah)
If it's up, it's stuck, if it's up, it's stuck (Skrt)
