

Mobbing Through

MadeinTYO

I'm just mobbing through
I'm just mobbing through
I'm just mobbing through
Me and the gang
I'm just mobbing through
I'm just mobbing through
I'm just mobbing through
Me and the gang

Can you come outside?
I don't got much time
I'm just mobbing through
Can I kick it with you?
Mm-mm, mm-mm
Oh you oh you
Oh you oh you

I'm just mobbing through
I'm just mobbing through
I'm just mobbing through
Me and the gang
I'm just mobbing through
I'm just mobbing through
I'm just mobbing through
Me and the gang
