North Side shawty give me neck (Skrr-skrr)
Baby from Gwinnett, daddy got a check, she choosing every cent
Polo Hoodie I'm the man, your boyfriend's a fan
This summer I'ma need a hundred grand
Where you headed, to the bank smellin' like some stank
Where you headed, to the bank smellin' like some stank
Where you headed, to the bank smellin' like some stank
Where you headed, to the bank smellin' like some stank
Where you headed, to the bank smellin' like some stank
Where you headed, to the bank smellin' like some stank
Where you headed, to the bank smellin' like some stank
Where you headed, to the bank smellin' like some stank

Good gas, good gas, wanna smoke
Tryna hit it from the back, boolin' on a boat (Ayy)
Too clean on a beam, retro on my toes (Sauce)
I don't like my phone, baby I'm too fucking grown (Hey)
She say she want a quickie, but I always take long (Skrr-skrr)
And if it ain't gas then you need a new plug (Ugh)
Take yo kicks off, no shoes on my rug (Yeah)
And I don't ride the Uber unless my driver take some drugs
