# Need Dat Pack

**MadeinTYO**

L.A. with two freaks, they wanna tongue me
Smoking dumb boy kush in a Humvee
Yeah she too fine, yeah she so fine
Finally geeked up, you know I'm out my mind
How you get them hoes with no racks now?
Cali for three months, I got the pack now
Polo with the Gucci, I'm so piped up
Been the underdog, now they really like us
Talk down on the squad, I got my racks up
Talk down on my squad, I got my racks up
Got more cheese than a Philly steak
Get it to the money, this ain't no mistake

I need that pack [x8]
She got that pack [x8]
I need that pack [x8]
She got that pack [x8]

All day counting, boolin with my hoes now
Shoutout to my Gs and my zoes now
You ain't smoking big, you need four pounds
Used to be reckless, I done slowed down
Stussy with the Bape, overseas eating crepes
Trynna get the YSL, with the Louis' on my face
Need that car service now, I don't got time to waste
[?] tell yo baby daddy he a fucking lame
Listen to that Richard Rizzy, I ain't never been insane
Trynna pee on niggas, they can stay up in they lane
Calvin Klein drawers on, and you niggas rocking Hanes
Just Supreme with The North Face, Tokyo and [?]
Niggas get wiped up if they acting like a stain
Bapestas, first class, leg room, my morning plane
Let's get wiped up if they acting like a stain
Bapestas, first class, leg room, my morning plane

I need that pack [x8]
She got that pack [x8]
I need that pack [x8]
She got that pack [x8]
