"Yo, what you doing?"

"Just chillin, chillin, that shit. Nothing really. What you up to?"

"Shit, me and fans smoking over here, right?"

"Right"

"And I was just, just looking at your snap and I see all these bad bitches, you should bring 'em over"

"Oh shit. Alright cool. I finna come through"

"Ight. Bet"

Yeah I tell a bitch if she fucking late  
She should come to my crib, nah don't be late  
Hol' up little shawty, bitch, yeah you're too thick  
Now old bitch lookin' stupid as shit  
If I pull my shawty then you know that she be gone  
Trips to Cali, out in valley, smoking on the strong  
You know them niggas lookin' so you know they gonna hate  
Vintage tee, Harajuku, coppin' some Bape  
Slide to the island just to fuck with the view  
Tryna cash out, man shout, young move  
Need a bad bitch, nah not no average  
Young savage should of kept the tie in  
Tell a bitch if she fucking late don't be late  
Hold up little shawty, bitch, yeah you're too damn thick  
Now my old bitch looking stupid as shit  
If I pull my shawty then you know that she be gone  
Trips to Cali, out in valley, smoking on some strong  
Yeah you know them niggas lookin' so they gonna hate  
Vintage tee, Harajuku, coppin' some Bape  
Slide to the island just to fuck with the view  
Tryna cash out, man shout, young move  
Need a bad bitch, no average (yeah)
