Eighty-five ones, throw it back on me, ooh
Throw it back
They gon' go broke type keep up
They way that she suck me, gotta keep up
Sippin' on this drink, it's boutta creep up
Fuckin' with them goofies, gotta leave her

Spend a pound when I land
Picture me countin' up them bands
Rockin' OG Bape, uh, I'ma kill my dance

Watch the way you talk to a boss now, I'm serious
Hit it from the back, she can't walk now
Diamonds skatin', yeah, Tony Hawk now (Ooh)
Fuck with a hater, gotta think now (Skrr, skrr)
