MadeinTYO

Had to get a brand new bitch
'Cause I get bored too quick
Had to get a brand new ice
'Cause I get bored too quick
Cut her off, upgrade
Got bored too quick
Lifeguard lemonade
Just flood my wrist
I get bored too quick
I get bored too quick
I get bored too quick
I get bored too quick
Cut her off, upgrade
Got bored too quick
Lifeguard lemonade
Just flow my wrist

Try to top, never stop
Got bored too quick
Silly thot, want my spot
Got bored too quick
Louis V, watch 'em hang, I could see your bitch
She be choosing on the low
I can't save that bitch
Yeezy hanging out the window
I've got lots of handles
Shout out to Gwen and Wesley Foo, that my kinfolk
Been tweaking lately
All my shit gotta be exotic
Baby blue Porsche that shit look like hypnotic

Had to get a brand new bitch
'Cause I get bored too quick
Had to get a brand new ice
'Cause I get bored too quick
Cut her off, upgrade
Got bored too quick
Lifeguard lemonade
Just flood my wrist
I get bored too quick
I get bored too quick
I get bored too quick
I get bored too quick
Cut her off, upgrade
Got bored too quick
Lifeguard lemonade
Just flow my wrist

Told her start it if she want it, copped that BM drop

She let the YSL hang

Had to get a brand new bitch
'Cause I get bored too quick
Had to get a brand new ice
'Cause I get bored too quick
Cut her off, upgrade

Lifeguard lemonade
Just flood my wrist
I get bored too quick

Cut her off, upgrade
Got bored too quick
Lifeguard lemonade
Just flow my wrist
