

Hello Babe

Madeleine Peyroux

Hello, babe, I had to call you up
Hello, baby, I'm feeling up
You know, I have something to tell you
Honey, I still want you to know
I'm sorry
Ain't going to let you worry my life no more

Well, hello, babe, I got to say goodbye
You know, I'm so sorry that I'm about to cry
Although I want you to know
Honey, I still love you so
But I'm sorry
Ain't going to let you worry my life no more

You know, hey, babe, I tried to call you up
And the people in the pad, they said you wasn't up
I had something to tell you
Honey, I still want you to know
I'm sorry
I ain't going to let you worry my life no more

What you say? Huh? Oh-oh!
You're not so upset
You know I got somebody else, too, don't you

You be all right
Oh, take it easy, now
You were running around all this time, too
Ah, just let me get in one last word now

Hello, babe, you know, we got to hang up
Hello, babe, well, I've got to give you up
Oh, but I want you to know, honey, I still love you so
I'm sorry
Ain't going to let you worry my life no more
Goodbye
