

You know I made a plan not to fall in love again
And it should've been easy, guess my heart didn't hear me
I just don't understand how the hell I'm so attached
Cause I don't even know you, but I can't cut myself loose

I'm sinking slowly while my pulse races
And down I go, but I don't want saving
Wish you would hold me, but I can't say it, I can't say it

So keep on pulling me in, under, under
Keep pulling me, pulling me in
So keep on drawing me in closer, closer
Keep pulling me, pulling me in
In quicksand
Keep pulling me, pulling me in
In quicksand

You know I can't pretend I'm not in over my head
Maybe I'm being selfish, but I just want you to tell me

If you're sinking slowly while your pulse races
And down you go, but you don't want saving
Wish you could hold me, but you won't say it, you won't say it

So keep on pulling me in, under, under
Keep pulling me, pulling me in
So keep on drawing me in closer, closer
Keep pulling me, pulling me in
In quicksand
Keep pulling me, pulling me in
In quicksand

And I'm not even fighting this gravity
Because you've rearranged my reality
And maybe we don't have to bury all our thoughts
And maybe we don't have to be alone anymore
So keep on pulling me in, under, under
So keep on drawing me in closer, closer

So keep on pulling me in, under, under
Keep pulling me, pulling me in
So keep on drawing me in closer, closer
Keep pulling me, pulling me in
In quicksand
Keep pulling me, pulling me in
In quicksand

So keep on pulling me in
Keep pulling me, pulling me in
Keep pulling me, pulling me in
So keep on pulling me
In quicksand
