

Stupid Girl

Madeline Juno

And then again

Maybe you think if you send me a song
You don't have to tell me how you feel, but then again
Maybe this circus is all in my head
And none of this is actually real, but then again
Someone's always loving more and that someone's me
I guess I'll never learn, but then again
Some are strangers, some are friends, and some are lovers
And someone's gonna get burned

I keep laying my life right there in your hands
I keep holding on, but it doesn't make any sense
You keep pushing me off of the top, of the top of the world
I'm such a stupid girl, such a stupid girl, girl, oh
Such a stupid girl, girl, oh, stupid girl, girl, oh
I'm such a stupid girl, oh

You made me smile for a week, yeah, you did
And I was bouncing off the walls, but then again
I could keep giving you all I got
But you just give me nothing at all, but then again
Now every little thread's like a lifeline
And I'm tearing at the seams, but then again
I know I'd still get wasted on a cheap wine
So you'd take advantage of me

I keep laying my life right there in your hands
I keep holding on, but it doesn't make any sense
You keep pushing me off of the top, of the top of the world
I'm such a stupid girl, such a stupid girl, girl, oh
Such a stupid girl, girl, oh, stupid girl, girl, oh
I'm such a stupid girl, oh

Now, what do you call it, what do you call it, what do you call it
When you're angry all the time
And you're falling off cloud nine?
What do you call it, what do you call it, what do you call it
When you love someone who doesn't love you back?
Now, what do you call that?

You made me smile for a week, yeah, you did
And I was bouncing off the walls
I could keep giving you all I got
But you just give me nothing at all

Stupid girl, girl, oh
Such a stupid girl, girl, oh
Stupid girl, girl, oh
I'm such a stupid girl, oh
