

# Twist Of Fate

Madeline Merlo

(twist of fate)

Baby just speak honestly  
And tell me you'll never ever leave  
Hold me tighter through the night  
For the first time in my life  
I just feel right

I know in you  
I found my truest friend  
(And I will never let you go)  
And my love for you  
Is selfish to the end

I can't get enough  
I'm calling it's me for you  
I'm falling for you so deep  
(I'm calling, I'm calling)  
I was lost then I saw your face  
And my world turned around  
And what I call my favorite twist of fate

And love is like a gravity  
It pulls me close and won't let go of me  
I promise you I'll never stray  
I promise you I'll love you  
'Til my dying day

(It's never enough)  
I'm calling it's me for you  
I'm falling for you so deep  
(I'm calling, calling)  
I was lost then I saw your face  
And my world turned around  
And what I call my favorite twist of fate

Your life, it shines  
My life was dark, you threw the blinds  
I've waited for you so long  
Now the waiting stops  
It's about time

(twist of fate)  
(twist of fate)  
You'll always be my favorite  
(twist of fate)  
Your love is like a drug and  
I can't get enough  
It's never enough

I'm calling it's me for you  
I'm falling for you so deep  
(I'm calling, calling)  
I was lost then I saw your face  
And my world turned around  
You turned my world around

I'm calling it's me for you  
I'm falling for you so deep  
(I'm calling, I'm calling)  
I was lost then I saw your face  
And my world turned around  
And what I call my favorite twist of fate
