Call It the Same

Madi Diaz

I think I found the one
I was looking for.
I think I found the key
That opens every door.

I think I know I want you.
You've got a way about
These little things that you do
I can't figure it out.

Seems like it's always raining,
Gray coulds on every street.
My tears are always falling
Every time we meet.

It's pulling on my heartstrings,
It's pushing you away,
If only you and I could call it the same.

When I say I miss you,
You say you miss me too.
So why do I always wonder
If you really do?

Seems like it's always raining
Grey clouds on every street.
My tears are always falling,
Every time we meet.

It's pulling on my heartstrings,
It's pushing you away,
If only you and I could call it the same.
The same.

I'm waiting on my corner,
I'm wasting all my time.
You said that all I needed
Was to see the sunshine.

Seems like it's always raining
Grey clouds on every street.
My tears are always falling,
Every time we meet.

It's pulling on my heartstrings,
It's pushing you away,
If only you and I could call it the same.
Call it the same
Oh
La da da da da da da
La da da da da da da
