

Everything Almost

Madi Diaz

Is this something I can say I know?
Or is this me being painfully eternally hopeful?
Oh God, you have no idea what you're doing, but I do
On the 9th of May, I wrote it down
I found the journal when I was moving into your house
"Big love, big love"
Those were the words
It was gonna be big love
(It was gonna be big love)

Is it gonna be okay
If you keep some things just for you
And I keep some things just for me?
Is it okay if we give each other almost everything?
Everything?

Everything almost
Everything
Everything almost

I had a dream there was a baby inside of me
One hand on my belly and the other one pointing
Ordering you around the house like a bitch
And you just laughing and taking it
And then I think about my parents
And what if they're not here to see it?
And I don't think that I could handle it
Don't wanna start believing it
So I completely avoid it

Is it gonna be okay if we really do this
Build a family, build a life?
Dad always used to say
That you can have everything
But not all at the same time

Everything almost (Everything almost)
Everything (Everything)
Everything (Almost, oh-oh)
Almost (Almost, oh-oh)
Almost (Ah)
Everything almost
Everything
Everything (Everything, everything)
Almost
Almost

And we've got it, baby
We've got it, everything (Ooh, baby)
We've got it, baby
We've got it, everything (Everything)
(Almost)
