

Girlfriend

Madi Diaz

Oh my god, you're so so pretty
I see everything that he saw when he first saw you
And I don't want to admit it
In some alternate universe we might be kind of close

It don't throw me off, seeing you out, seeing you around
Mostly I don't think about it

It's only weird when you call him
It's only weird because we're not friends
Are you hoping he'll catch feelings for you again?
So insane to think that, now I'll have to pretend
That you never even happened
Oh no no I don't think I can
No no I don't want you to see that I forget who I am
Yeah, I know I wouldn't want me to be my ex-boyfriend's new

So sorry I'm your ex's girlfriend

And I'm catching myself thinking about all of the ways that I could lose him
And I can't help being a mess 'cause he's the one that's gotta choose it
He's showing up, always puts me first
Not to fuck you up, but we're so in love

You make it weird when you call him
And you make it weird because we're not friends
Are you hoping he'll catch feelings for you again?

Oh no, I don't think I can
No, no, I don't want you to see that I forget who I am
Oh no, I wouldn't want me to be my ex-boyfriend's new

I wanna know exactly what the two of you had
Then I take it back, yeah, I take it back
I wanna know if he still thinks of you like that
Then I take it back, yeah, I take it back

'Cause it's only weird when you call him
Yeah, it's only weird when you call him
So sorry I'm your ex's girlfriend
