

Man, you piss me off
Except for when you're not
I don't want you to stop
Making me thinkin' it's so hot
I don't know what you want
Until your hands are on my body

I wanna make it to the end of the movie
I don't wanna fall asleep, I just wanna be
Wrapped around all of my favorite kind of crazy
With all that you give to me

I don't know if I wanna kill, fuck, marry you forever
God, I wanna kill, fuck, marry you forever
I'm not even about finding somebody better
Think I wanna kill, fuck, marry you forever
Forever

I can be a dick
You don't know when to quit
Dishing it out comes with taking it
I don't do "on my knees"
You don't do "just to please"
At least we both know we're not faking it

Hmm, I wanna make it to the end of the party
Don't wanna go home alone, I just wanna know
That you can wrap around my one and only crazy
With all of the ways we go

I don't know if I wanna kill, fuck, marry you forever
God, I wanna kill, fuck, marry you forever
I'm not even about finding somebody better
Think I wanna kill, fuck, marry you forever
Forever
I wanna, I wanna

The more I know, the less I know
The more I stop, the more you go
And when we fall like dominoes
The more I know, the more I know

I wanna kill, fuck, marry you forever
God, I wanna kill, fuck, marry you
I'm not even about finding somebody better
Yeah, I think I wanna, I know I'm gonna

I wanna kill, fuck, marry you forever
God, I wanna kill, fuck, marry you forever
I'm not even about anybody else ever
Think I wanna kill, fuck, marry you
