

Taste The Rain

Madi Diaz

I'm not gonna help you, heaven's gotta help me first
Hard to hear a loving word when you're at your worst
I know a fight won't help, I'm gonna do it anyway
I know I flood the well, just to taste a little rain

Causing shadows on open arms
Leave the house cold, empty and dark
Under my tongue sleeps a heavy phrase
Hold my dreams like I'm dragging weight

I'm not gonna help you, heaven's gotta help me first
Hard to hear a loving word when you're at your worst
I'm walking through a storm, wishing for a hurricane
I open all my doors just to taste a little rain

Let the walls burn, watch them glow
All my mercy, rising in the smoke
Under the ashes is a path I wore
Holding my feet down to the floor

I'm not gonna help you, heaven's gotta help me first
It's hard to hear a loving word when you're at your worst

Who am I, who am I, who am I
Without a little taste of rain
Who am I, who am I, who am I

Cause I'm not gonna help you, heaven's gotta help me first
I'm not gonna help you, heaven's gotta help me first
I'm not gonna help you, heaven's gotta help me first
I'm not gonna help you, heaven's gotta help me...
