

The One That You Want

Madi Diaz

I know you wanna make amends
I know you wanna say you're innocent
You've stolen from the upper hand
Gave you my love and now you're twistin it

No ball and chain in you
Nobody's shamin' you now, now
[?] and loneliness
And nothing's making sense, so

Say you miss me
Say you want my heart
Oh, Say you miss me
Say you want my heart
(If I'm the one that you want)
(If I'm the one that you want)

Don't think you understand the fight
You're never gonna find an ending
Cause I don't care what's wrong or right
No trouble in your arms when you're holding me

No ball and chain in you
Nobody's shamin' you now, now
[?] and loneliness
And nothing's making sense, so

Say you miss me
Say you want my heart
Oh, say you miss me
Say you want my heart
(If I'm the one that you want)
(If I'm the one that you want)
(If I'm the one that you want)
(If I'm the one that you want)
(If I'm the one that you want)
(If I'm the one that you want)

Oh, say you miss me
Say you want my heart
Oh, say you miss me
Say you want my heart
Say you miss me
Say you want my heart
Oh, say you miss me
Say you want my heart

(If I'm the one that you want)
(If I'm the one that you want)
(If I'm the one that you want)
