

Almost Is Never Enough

Madilyn Bailey

I'd like to say we gave it a try
I'd like to blame it all on life
Maybe we just weren't right, but that's a lie, that's a lie

We can deny it as much as we want
But in time our feelings will show

'Cause sooner or later
We'll wonder why we gave up
The truth is everyone knows

Almost, almost is never enough
So close to being in love
If I would have known that you wanted me
The way I wanted you
Then maybe we wouldn't be two worlds apart
But right here in each other's arms

We almost, we almost knew what love was
But almost is never enough

If I could change the world overnight
There'd be no such thing as goodbye
You'd be standing right where you were
And we'd get the chance we deserve

Try to deny it as much as you want
But in time our feelings will show

'Cause sooner or later
We'll wonder why we gave up
The truth is everyone knows

Almost, almost is never enough
We were so close to being in love
If I would have known that you wanted me, the way I wanted you
Then maybe we wouldn't be two worlds apart
But right here in each other's arms

We almost, we almost knew what love was
But almost is never enough
