

Crown

Madilyn Bailey

I was built for pressure
I feel so much better
When the war is raging on
That's how you reign forever
When everyone surrenders
Know I'll still be around

Soldiers who will come are many
It's take a king to carry
I hear that it gets heavy
Reasons to stop are plenty
Few will be left if any
I hear the throne gets lonely

But I don't want to be a star
I want to be the sun
I want to be the greatest
Lord there ever was
I'd rather walk alone
Cuz when it's said and done
The head that wears the crown
There can only be one

I never say never
Except when I say that
I'm never giving up
I'm gonna fight forever
Even at the top
It won't ever be enough

Soldiers who will come are many
It's take a king to carry
I hear that it gets heavy
Reasons to stop are plenty
Few will be left if any
I hear the throne gets lonely

But I don't want to be a star
I want to be the sun
I want to be the greatest lord there ever was
I'd rather walk alone
Cuz when it's said and done
The head that wears the crown
There can only be one
There can only be one
One one one
One one one
There can only be

All of the ladies and all of the lords
We're peacefully playing
Until they got bored
Now the people are screaming
They say they want war
That's what I was built for

I don't want to be a star

I want to be the sun
I want to be the greatest lord there ever was
I'd rather walk alone
Cuz when it's said and done
The head that wears the crown
There can only be one
